Overview

SQLdays 26 continues its strong focus on Microsoft SQL Server, with a special spotlight on the new SQL Server 2025 release.

The two-day event delivers practical insights, real-world examples and hands-on knowledge for professionals at every level.

With sessions from level 100 to 300+, both beginners and experienced experts will find valuable content.

- Facts:
- 2 days, 3 tracks and free choice from around 45 presentations
- Latest topics on SQL Server 2025, Fabric & Business Intelligence
- Lunch buffet and break catering included
- Workshops on October 5 and 8
- Free Wi-Fi at the conference venue
- Available presentations and sample codes after the conference
- Conference videos on demand after the conference

Meet your target audience:

- Technology enthusiast
- Value up-to-date knowledge
- Possess the necessary purchasing power
- High decision-making potential in your companies
- Over 97% come from the DACH region

 **5. till 8. October 26**

 **Eventforum Erding**

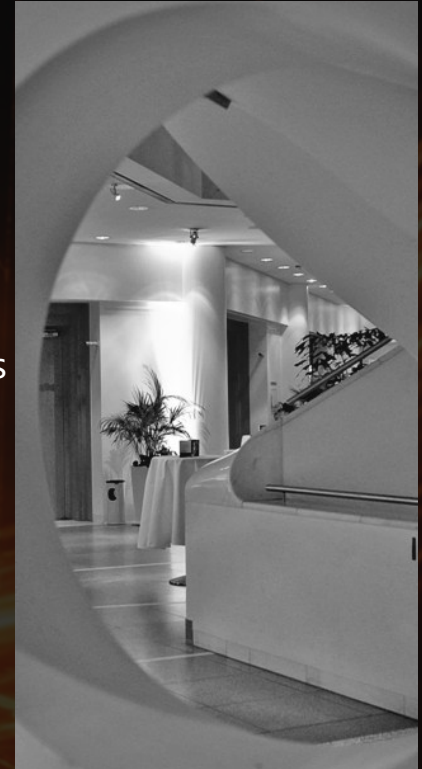

Eventforum Erding

The renowned event house is furnished with noble, light wood, silver-grey granite and white marble, giving it an elegant and timeless ambience.

The exhibition area is modern and equipped with WLAN access as well as daylight, which meets the needs of today's working world.

Generous breaks for dialogue with attendees, speakers and product experts.

Up to 200 customers for your products and solutions. Contact with key contacts from the community and manufacturers.

 5. till 8. October 26

 Eventforum Erding

Why you should attend

Since 1997, we have been exclusively concerned with training in the B2B environment. We successfully organize trainings, camps and conferences.

Partnership is important to us. We provide the platform for a new better customer relationship. Vendors, 3rd party tools, integrators.

No recruiting!

3,000 former participants, 30,000 reachable email contacts, 100.000+ social reach, 70,000 designated contacts, up to 200 people on site.

Broad communications, social media, email, direct mail, telesales, ad lines and partner channels.

Preferred ranking of presentation submissions if of value to attendees.
